Custom Acrylic Products

Abb. 900/36/1

Shown here are two custom pieces cut with a laser from 18-mm and 10-mm acrylic material. Personalization is possible with UV digital or screen-printing.

Abb. 900/36/2

We produced these two trophies from custom-cut clear acrylic and used laser engraving to create the inscription and add embellishing details.

Abb. 900/36/3

Two other custom products crafted from 18-mm acrylic. These articles feature black screen-printing and UV digital printing on their bases and top elements.

Please ask about our prices.

**Alt i beklædning, fodtøj, rengøringsartikler og sikkerhedsudstyr,
samt reklamegaver og strøartikler med tryk, broderi og gravering, efter opgave.
Skilte, bannere og bilreklamer efter tilbud.**

Custom Acrylic Trophies

Of course, we can manufacture our acrylic trophies according to your design and creative concepts. Acrylic glass is particularly versatile enabling the almost limitless realization of creative ideas. We have laser cutting systems and CNC mills to cut and form shapes. In addition, edge polishing machines and all the equipment and expertise needed to provide you with a tastefully finished product are at our disposal. Please provide your artwork in a common file format such as Corel Draw, etc. We can also apply your colored logo to the trophies after they have been produced. Personalization with laser engraving is possible. The possibilities are virtually boundless.

Recognition Gifts, Award Displays, Signage

Versatile! On the wall, desk or in the display case

Elegant and tasteful simplicity let your awards speak for themselves. Two acrylic plates held together with quality silver-colored aluminum hardware display are the perfect setting for awards or signs messages. Perfect on shelves, desks or, if you'd like, we'll provide them with hardware that will allow you to mount them on walls. You have the choice of digital printing or laser engraving, which makes this article suitable for one-off orders or personalization and ensures you'll find the best option for your budget!

1 Abb.900/128/1

Here is an award display with two acrylic plates: a 4-mm front element and a 10-mm back. You may specify the dimensions. The award display shown is 210x290 mm.

2 Abb.900/128/2

Another possibility is a combination of metal and acrylic, as depicted here. We glued an aluminum plate to the back 10-mm acrylic plate and attached it to the front element, which is 6-mm acrylic material.

3 Abb.900/128/3

A typical award display featuring two acrylic plates with accurately reproduced logo thanks to high-resolution UV digital printing.

2

We'll provide these articles fit with hardware for wall mounting.

Ask about our prices.
You choose the size!
