# Fun Cabrio

## Open for enhanced customer loyalty

A welcome change for the children and an appreciated service for stress-free shopping trips with the family. With the additional advantage of considerably reduced space requirements, as the trolleys can be nested. This means more FunCabrios on the same area - and more fun for your customers of tomorrow!

Exclusive Wanzl feature:  
Can be nested to save space

80/130 litres: 850 mm

EP 1 131 236 B1

Fun Cabrio in standard colours

Wanzl-Promobox

### Design

Attractive and tough plastic bodywork with robust oval tubing base frame and fifth wheel. Can be nested to save space, safety belt as standard feature as well as head and leg protection for maximum security. Also available as autowalk version.

### Standard colours

Bonnet: Flame red RAL 3000

Backrest: Green RAL 6024

Bottom section / Oval tube chassis: Zinc yellow RAL 1018

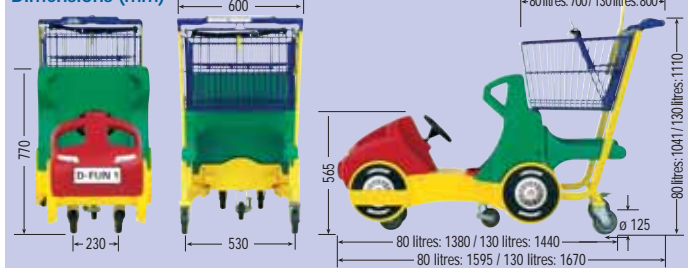

Goods basket / handle caps: Ultramarine blue RAL 5002

Other colour combinations available upon request.

### Wheels

4 original Wanzl castor wheels Ø 125 mm, rubber tread, one wheel with brake. Fifth wheel Ø 100 mm for easy and reliable steering. Autowalk version equipped with original Wanzl autowalk wheels.
