

Shopping trolleys

Fun Mobil 80

Fun Mobil 130

 **wanzl**

Attract your customers with original Wanzl designs

The Fun Mobil trolleys 80 and 130 are the plastic cars of the new generation. Fun Mobil types 80 and 130 are perfect for stress-free shopping as the younger generation is kept happy and this fun feeling is conveyed to their parents. However, the Fun Mobil trolleys are not just fun, with 80 and 130 litres of basket capacity there is also bags of space for shopping. Fun Mobile trolleys offer a true competitive advantage, as they will not only secure existing customers but also attract new customers to your market, spurred by the kids who want to go "where the cars are".

Fun Mobil 80
