

Tango City

Trendy shopping companion with a compact design

Tango City

- > *Attractive design with the highest level of functionality*
- > *Slim, compact design*
- > *Extremely quiet in use*

TANGO CITY

Stylish companion

The **stylish contrast between** elegant anthracite grey and bright, appealing colours emphasises the main features of Tango City, making it eye-catching in any store! Plus, the plastic parts can be individualised on request to create the perfect corporate image.

Sophisticated design

The **clever plastic honeycomb structure** of Tango City provides not only an interesting new design feature but also makes the trolley lightweight, sturdy and secure.

Tango City in detail

■ **Holds everything, carries everything.** The Tango City model was designed especially to meet the needs of small and medium-sized stores.

1 PROMOBX PLUS S GRIP

Ergonomically designed handle with integrated coin deposit system, generous advertising space and clipboard.

2 CHILD SEAT/GOODS SHELF

Use as either a comfortable shaped child seat or fold down to form a handy goods shelf for breakables and delicate items.

3 DEFLECTOR PROFILE AND CARRYING HANDLE

Practical and contoured to the shape of your hand to comfortably pull the trolley.

4 WANZL SWIVEL CASTORS

Long-term quiet operation and easy manoeuvrability thanks to ball bearings and rubber treads made from natural rubber.

5 PLASTIC DEFLECTOR RINGS

These protect shop fittings, goods and the trolley from damage.

6 SLIP (OPTIONAL)

Cover for castor cradle.

7 TRAY (OPTIONAL)

for PET containers.

For the little ones

Your children can be seated comfortably and securely in the integrated child seat/goods shelf. When folded down it can be used as a goods shelf.

New design

Slip covers for castor cradles make your trolley even more attractive, protecting the castors and prevent damage to shop fittings.

With added security

The open chassis reduces shoplifting and offers plenty of leg room.

More space, increased revenue

The small Tango City is also available with a practical tray for all common PET containers on request. (retrofittable)

The small assistant that's a big help

■ **Tango City is the trendy, innovative shopping trolley** for small and medium-sized stores. It is also ideal as a second trolley. With its easy handling for quick shopping trips and convenient, shallow basket, Tango City is sure to please.

Slim, compact design

The slim design of Tango City makes it the ideal companion in stores with limited space. This means that even in narrow aisles, two Tango City trolleys can easily pass one another.

Shhh – quiet as a whisper

Whether stacking the trolleys together or pushing them over uneven ground, Tango City reduces the level of noise both inside and outside the store, helping to calm the nerves of customers, staff and local residents alike.
